These indoor door mats are made of **high-quality polyester microfiber which is durable**, super absorbent, and comfortable to walk on. The strong non-slip TPR backings keep them firmly in place, helping to prevent safety hazards such as trips and falls. Before placing, please make sure the floor is clean and dry.

Low-profile design and reinforced over-lock edges tend to have a firmer brushing action and allow the door to open easily over it without jamming or curling, ideal for low clearing doors or entryways. Our doormats are available in a variety of sizes, you could get it for your front door, back door, pet entry, indoor entrance, kitchen, laundry, bathroom or any areas with heavy traffic.

YD series

These indoor door mats are made of **high-quality polyester microfiber which is durable**, super absorbent, and comfortable to walk on. The strong non-slip TPR backings keep them firmly in place, helping to prevent safety hazards such as trips and falls. Before placing, please make sure the floor is clean and dry.

Low-profile design and reinforced over-lock edges tend to have a firmer brushing action and allow the door to open easily over it without jamming or curling, ideal for low clearing doors or entryways. Our doormats are available in a variety of sizes, you could get it for your front door, back door, pet entry, indoor entrance, kitchen, laundry, bathroom or any areas with heavy traffic.
